**COMMENTS**

On December 16, 1994, the Chief of the Allocations Branch released a Notice of Proposed Rule Making, MM Docket No. 94-146, DA 94-1407, ("NPRM"), proposing the allotment of FM Channel 242A to Houston, Alaska, as that community's third FM service. Evangelistic Alaska Missionary Fellowship, Inc. ("EAMF"), by its attorneys, hereby supports the proposed allotment of Channel 242A to Houston, Alaska, which it initiated by its "Petition for Rulemaking", filed November 22, 1994.

EAMF hereby restates its intention to apply for a construction permit for a new FM station on Channel 242A at Houston, Alaska, if the proposal in the NPRM is adopted and the channel is allotted to Houston, Alaska. EAMF will expeditiously construct and place into operation a new FM station on Channel 242A at Houston, Alaska, if it is awarded a construction permit.

The proposed allotment can be made in full compliance with the Commission's minimum mileage separation requirements without the

imposition of a site restriction. If adopted, the proposed allotment will provide Houston, Alaska, with an additional FM service, an important public interest consideration.

WHEREFORE, for the foregoing reasons, EAMF respectfully requests that Channel 242A be allotted to Houston, Alaska, as that community's third FM service.

Respectfully submitted,

EVANGELISTIC ALASKA  
MISSIONARY FELLOWSHIP, INC.
